

Clinic Add-On Terms & Conditions

We hope you are looking forward to hitting the course this summer! Please read this page thoroughly to make sure you understand the booking privileges that come with your green fees, or other add one you may have chosen.

GREEN FEES:

- Valid after 4 PM only, all season. Does not guarantee 18 holes.
- Mid-week bookings can be made after 4pm the evening before, no earlier.
- Weekend and holiday play is on a standby basis only.
- All bookings are final. Cancelling your tee time or no-showing will mean forfeiting one greenfee for each person booked.
- Partially transferable. You are welcome to use one to bring a guest, but you must be golfing with that person.

RANGE PUNCH CARDS:

- During busy times, guests may be limited to 100 balls per day.
- Fully transferable.

PRIVATE LESSONS:

- Taught at the Range.
- Includes rental clubs for the duration of your lesson.
- Non-transferable.

All add-ons listed above expire at the end of the season and will not be extended. The last day for the course is Sunday October 10. The last day for the range is dependent on weather and business levels, but typically falls mid-September. Plan to use you punch cards and lessons by labor day to avoid disappointment. Clinic add-ons have no cash value.
